

Note to teachers and students about resources:

I did years of research to write this book, using hundreds of sources. There is no way I could include in the story all the information that I learned. If you'd like to learn more about this period in history, the list below contains not all, but some of the best sources that I found. The entries marked with an asterisk (**) are particularly appropriate for middle school.

Books

Captive Passage: The Transatlantic Slave Trade and the Making of the Americas.

Smithsonian Institution Press. 2002.

****Currie, Stephen.** *Life of a Slave on a Southern Plantation*
Lucent Books. 2000.
